NATURAL SPEECH

Listen to the section from 02:25 to 03:05 again. What does Steve call the viewers?
Have you heard this word before?

Now complete the sentences and practise saying them with your partner.

Hey _____! Come and join us!

We're going to hike around the jungle tomorrow. What are you _____ doing?

OK _____, it's time to pack up and go home.

SPEAKING

In pairs, you and your partner are going to each narrate half of the video. You can watch the video again if necessary. Plan what you are going to say:

What can you see?

What can you hear?

Where are you going?

What are you doing?

Now narrate your part of the video and listen to your partner.

WRITING

Write a blogpost from Steve's point of view. Include information about:

- The places you visited and what you did there
- The people you met
- The food you tried and what it was like
- How you felt during each stage of your trip

**Remember!**

Write in the first person and use past tenses!
